

# Holy Cross School

---

Mrs. Jane Borkoski  
School Nurse

40 Rumson Road  
Rumson, NJ 07760

Dear Parents,

A number of our students are severely allergic to peanuts and/or tree nuts. It is very important that they not be exposed to nuts, products containing nuts or anything processed in a place where nuts may be used.

I am asking your help in assuring that Holy Cross School is a safe environment for these children. Please try to send your children to school with nut free lunches and snacks. This is especially important in the classroom where space is limited. When baking or buying treats for a class party, please remember to send in the ingredients label to be checked by me or the teacher.

Our lunch room will continue to have a peanut free table.

Thanks for your help. Any questions, please call me at ext. 1143.

Sincerely,  
Jane Borkoski, RN  
School Nurse
