

Honeywell Instant Alert Information

Keeping families informed in a timely manner helps to ensure student safety and improve student success. With today's busy lifestyles, it has become more difficult for schools to reach families quickly and effectively.

Holy Cross School uses the **Honeywell Instant Alert System** to alert parents and staff to school closing due to inclement weather, early dismissal (unplanned), emergency situations (school closures, evacuations, etc.), cancellations of after school events, transportation issues, and school information/activities.

Instant Alert is Internet based allowing each family to maintain a secure, password protected online profile. You can log onto your profile at any time to update your contact information. Maintaining the accuracy of your profile will increase the ability of the school to keep you informed. ***It is your responsibility to enter and update this information.***

Parent User Instructions

1. Go to the <https://instantalert.honeywell.com>
2. Click on 'Parent' in the New User box.
3. Complete the student information form. Click 'Submit'.
4. Complete the corresponding screen. Click 'Submit'.
5. After receiving the confirmation message, click 'Proceed' to get started with Instant Alert.
6. Remember your Login Name and Password so you may use it to update your profile.
